

Jana and her soapy powers

Author: Gabriela Alfie - Available rights for all languages

Outline: Jana and her Soapy Powers

Jana missed her friends and there was a time when she had to stay at home. Do you know what she did? She discovered her powers while playing with soap and water and she became a...**super soapy secret heroine!**

She made up games and was able to overcome villains...

And she had a great idea! By using technology, she was able to share her adventures with her friends.

At the end of the story you'll find more fun activities to enjoy at home.

Author's biographical sketch:

Gabriela Alfie is a writer, a teacher who specialized in new technologies. She was born in the city of Buenos Aires, Argentina and she has published more than 30 books in Latin America. Besides writing stories, poetry and novels for both children and adults she nowadays travels across the virtual world providing workshops and connecting with her readers through their networks. She has created a number of school book series with interactive software to be used in the classroom and to learn while playing.

She believes that imagination, fantasy and creating other worlds are tools for awakening creativity.
